

## ZOE KERAMEA

### Short Biographical Note

Zoe Keramea is an artist who explores enfolded surfaces using sculpture, printmaking, drawing and ceramics.

She was born in Athens, Greece in 1955 and graduated from the Universität der Künste in Berlin with a Meisterschülerin Degree in 1981.

In 1989 she was awarded a Fulbright Grant for independent research in printmaking to work on her new intaglio printing technique, zoetype, in New York.

She has shown her work in numerous individual and group exhibitions in galleries and museums around the world, taught workshops in universities and museums and published numerous artist's books.

The digital version of her *Mandala Memory* game, including 54 paper cut-out images, for the iPhone and 108 for the iPad, presented by The Dukode Studio NY, is available as an App at the iTunes App Store. It was awarded a 3rd place prize in *Best App Ever Awards 2010*.

She lives and works in Athens and New York.

Her most recent individual exhibitions are:

***Zoe Keramea - Geometry of Paradox***, The Drawing Center, New York, NY, 2005
